

## ASSOCIATE MEMBERSHIP BENEFITS

Associate membership is offered to firms that provide materials and services to the biomass power industry. Dues are \$7500 per year.

### AS AN ASSOCIATE MEMBER YOUR COMPANY AND ITS REPRESENTATIVES ARE ENTITLED TO:

- Consideration for a non-voting seat on the Board of Directors
- A dedicated and experienced staff in Portland, ME, and Washington, DC, working full-time to advocate for the biomass industry
- A leading role in Washington, DC, fly-in events that provide opportunities to meet with key members of Congress and their staff, including the delegation from your state and district

- Opportunities to participate in ad hoc committees to timely address policy issues of national importance that have a direct impact on the biomass industry
- Access to weekly conference calls where BPA shares the latest news and intelligence from Washington DC, and providing opportunities for feedback

- Access to data, research and other resources exclusive to the members-only section of the BPA website. Your user ID and password will be provided separately. IDs and passwords for additional employees in your organization are available on the [BPA website](http://www.usabiomass.org) (see "Membership Form" under the "Membership" tab at [www.usabiomass.org](http://www.usabiomass.org)), or contact a BPA representative.

- Networking opportunities with BPA members
- Participation in the BPA annual meeting and other events organized by BPA

- A monthly newsletter on BPA happenings and other biomass news and regular communications about biomass developments in the media and on Capitol Hill
