

FULL MEMBERSHIP BENEFITS

Full membership is offered to owners or operators of biomass power facilities at a dues rate of \$500 per MW of installed capacity per year.

AS A FULL MEMBER YOUR COMPANY AND ITS REPRESENTATIVES ARE ENTITLED TO:

- Eligibility to sit on the Board of Directors
- Voting rights on all board and organizational matters
- A dedicated and experienced staff in Portland, ME, and Washington, DC, working full-time to advocate for the biomass industry

- A leading role in Washington, DC, fly-in events that provide opportunities to meet with key members of Congress and their staff, including the delegation from your state and district
- Opportunities to participate in ad hoc committees to timely address policy issues of national importance that have a direct impact on the biomass industry

- Support on state and regional issues affecting the biomass industry
- Participation in weekly conference calls where BPA shares the latest news and intelligence from Washington, DC, and provides opportunities for feedback. Weekly calls take place at 4:30 p.m. ET every Wednesday unless otherwise noted.

- Access to data, research and other resources exclusive to the members-only section of the BPA website. Your user ID and password will be provided separately. IDs and passwords for additional employees in your organization are available on the [BPA website](http://www.usabiomass.org) (see "Membership Form" under the "Membership" tab at www.usabiomass.org), or contact a BPA representative.
- Networking opportunities with BPA members
- Participation in the BPA annual meeting and other events organized by BPA
- A monthly newsletter on BPA happenings and other biomass news and regular communications about biomass developments in the media and on Capitol Hill
- Year-round use of BPA's offices in Washington, DC's Chinatown neighborhood (convenient to Capitol Hill)
